EXPERIENCE

Over 30 years ago Michael began his career in construction working his way through the ranks of Site Foreman, Project Manager and Contracts Director, eventually becoming Managing Director of P A Finlay and Company Ltd., his family's construction business, in 1993.

Michael left P A Finlay in 2006 to form Ark Build PLC. 5 years later in 2011 Michael was presented with a Euro500 Award at the European Parliament in Brussels, recognising Ark Build as one of the fastest growing and most sustainable companies in Europe.

PROJECT RESPONSIBILITIES

Michael is responsible for the commercial and operational governance of Ark Build ensuring the highest standards of business are maintained at all times.

He regularly visits sites and attends progress meetings to ensure connectivity with operatives, managers, design teams and clients.

Michael's style reflects the company ethos of building sustainable relationships for the continuity of business.
